Our brands offer fine, intricate detailing and impeccable quality. All pieces are handcrafted in India under fair and ethical working conditions and the company takes great pride in the talent of these artisans to create unique prints, exquisite embroideries, and stunning pieces. The Caite & Kyla woman has a free spirit, is a lover of art, travel, and all things handmade. She is a woman who is adventurous, enthusiastic, and loves life, and she is always noticed when entering a room! All four lines are individually designed to be timeless, season-less, and above all, figure-flattering. Female empowerment is a pillar of the Caite & Kyla brand and with this idea in mind, the company is designed for the modern, everyday woman. A woman who wants to dress with confidence, ease, comfort, and has incredible style as well. Looking good is feeling great!
